NOTIFICATION.

Ootacamund, September 12, 1911.

No. 485.—The following notification of the Government of India is republished :—

FOREIGN DEPARTMENT.

Simla, the 22nd August 1911

No. 1792-*I.-E.*—The following instructions regarding the dress to be worn on all official occasions and at all functions at which Their Imperial Majesties are present during their forthcoming visit to India are issued for general information :—

(1) On all official occasions such as the Durbar, and the Investiture at Delhi, and the Court at Calcutta, all naval and military officers and all civil officers entitled to wear uniform will wear the dress prescribed for the occasion.

(2) At the Investiture at Delhi and at the Court at Calcutta, English civil officers and English gentlemen who are present and who are not entitled to wear uniform will wear Court * dress. It is desirable also that English civil officers and English gentlemen who are not entitled to wear uniform should appear in Court dress at other official functions at Delhi and Calcutta where full or levée dress is prescribed for naval, military and civil officers, but they may, at their option, wear at ceremonies by day morning dress with a sola helmet or silk hat, and at evening functions ordinary evening dress

(3) At ceremonies by day when no specific dress is prescribed for civil officers, such as at garden parties, presentation of colours, etc., civil officers and gentlemen not entitled to wear uniform will wear morning dress with sola helmets or silk hats. At polo matches, military sports, etc., plain clothes (lounge suits) may be worn.

(4) The instructions contained in the two immediately preceding paragraphs apply also to Indian civil officers and Indian gentlemen not entitled to wear uniform who have adopted European dress.

(5) Indian gentlemen who have not adopted European dress will appear at all functions in the dress customarily worn on similar occasions when His Excellency the Viceroy is present.

(6) At garden parties, military sports, etc., all naval and military officers will wear undress uniform as prescribed for such occasions, but at polo matches plain clothes (lounge suits) may be worn.

(7) The orders contained in this Notification do not apply to the dress to be worn by judicial officers, instructions as to which will be separately notified.

* At functions where full dress with trousers is prescribed for civil officers entitled to wear uniform, Court dress with trousers will be worn.

H. A. STUART,
Ag. Chief Secretary.

GEOLOGY AND MINERALS.

The 2nd *September* 1911.

No. 6436-152.—In exercise of the powers conferred by section 20 of the Indian Mines Act, 1901 (VIII of 1901), the Governor General in Council is pleased to make the following rules, for the whole of British India, in respect of mica, manganese, and limestone mines, other than mines which have been exempted from the operation of the Act under section 29 thereof :—

PART I.

MANAGEMENT.

Notice of change of name and address of manager.

1. When a change occurs in the name or address of the manager of a mine, notice of the change shall be sent within one month by the owner, agent or manager, to the Chief Inspector of Mines in India and also to the Magistrate of the district.

Inspection Book.

2. For every mine a book to be called the Inspection Book, shall be kept, in which Inspecting Officers shall record their observations. The owner, agent or manager shall also write or cause to be written at the commencement of the book—

(*a*) the name of the mine,
(*b*) the name and address of the owner of the mine and of the agent (if any),
(*c*) the name and address of the manager of the mine,
(*d*) the name of the competent person or persons appointed under Rule 3, and
(*e*) the system of signals provided in accordance with Rule 12.

Daily Report Book.

3. The manager or some competent person or persons appointed in writing by the owner, agent or manager for the purpose shall, at least once in every 24 hours, inspect every part of a mine in or through which any person has to work or pass, and, if

more than 20 persons are employed in the mine simultaneously, shall without delay write or cause to be written a report of such inspection in a book, to be called the Daily Report Book. Every such report shall be signed by the person making the inspection.

Procedure to be followed when a person required to report is unable to write.

4. Where any person required by these rules, or by any special rule made under section 21 of the Indian Mines Act, 1901, to make any report is unable to write, he shall be present when his report is written for him, and shall have it read over to him and shall attach his thumb-mark to it. The person writing the report shall also sign his name at the end, together with a statement that it has been read over to the person for whom it was written

Books and rules to be kept in a convenient place

5. All books which are required to be kept under these rules together with a copy of the Indian Mines Act and of all rules applicable to the mine, shall be kept at an office or other building as near as conveniently may be to, and used in connection with the working of the mine, and shall be produced on the request of an Inspector of Mines, a Magistrate, or any person authorised in that behalf by the local Government.

PART II.

Shafts and Outlets.

Shafts and outlets.

6. (*a*) At every mine, other than an open quarry, where more than 20 persons are employed below ground, or where in the opinion of the local Government it is necessary, there shall be at least two shafts or outlets, not nearer to one another than twenty feet, affording separate means of ingress and egress available to all the persons employed in the mine.

(*b*) Proper arrangements shall be made for persons to descend to and ascend from the mine at each of such shafts or outlets. If apparatus is necessary, it shall be kept on the works belonging to the mine and shall be constantly available for use.

(*c*) The foregoing provisions of this rule with respect to shafts and outlets shall not apply—

(*i*) while a shaft is being sunk or an outlet being made;

(*ii*) to any working for the purpose of making a communication between two or more shafts or outlets

(*d*) In cases where there are special difficulties which make compliance with the foregoing provisions of this rule not reasonably practicable, the mine may be exempted therefrom by the local Government, subject to such conditions as it may think fit to impose.

PART III.

Ventilation.

Ventilation in shafts, tunnels and working places

7. An adequate amount of ventilation shall be constantly produced in every mine, to such an extent that the shafts, tunnels and working places of the mine, and the travelling roads leading thereto, shall be in a fit state for working and passing therein.

PART IV.

Explosives and Shot-firing

Storage of explosives in mines prohibited.

8. No explosive substance shall be stored in the mine.

Secured cases or boxes for taking explosives in mine.

9. No explosive substance shall be taken into the mine except in secured cases or boxes, containing not more than 5 lb. each, and a person shall not have in use or keep for use, at one time in any one place within the mine, more than one of such cases or boxes. The place in the mine at which any such case or box is in use or is kept for use, unless solid ground directly intervenes, shall not be less than thirty feet from a place at which any other such case or box is in use or kept for use.

Provided that an Inspector of Mines may, in special cases and by order in writing, permit, subject to such limitations as he may prescribe, the use at one time in one place of more than one of such cases or boxes.

Detonators.

10. No detonator shall be carried or kept in the same case or box with any other explosive material.

Iron or steel implements.

11. No person shall use any iron or steel implement in the process of charging or stemming for blasting.

Warning to be given before and after blasting.

12. Blasting shall not be commenced until such warning as will prevent danger to the persons working in the mine and its vicinity has been given by an efficient system of signals or by other means arranged by the manager. Notice shall similarly be given as soon as blasting is finished.

Misfires.

13. If a shot has, or appears to have, missed fire no person shall approach the place until at least one hour has elapsed, unless the attempt to fire the shot has been made by electrical means, when this interval may be reduced to fifteen minutes after the battery has been disconnected.

Removal of things from holes which have been charged.

14. After a hole has been charged and made ready for firing, no person shall remove or attempt to remove anything therefrom

New shot-holes

15. A new shot-hole shall not be commenced in any portion of a shot-hole left by a previous shot.

16. If a shot has missed fire, no new hole shall be commenced within twelve inches from the hole in which the misfire occurred, and care shall be taken to drill the hole in such a direction that there is no danger of touching the unexploded charge

The new hole shall be bored in the presence of the manager or of the person who exercises daily personal supervision over the mine or that section thereof, and also, if possible, of the man who bored the hole in which the misfire occurred. Such manager or person exercising daily personal supervision shall also be present during any operations undertaken for the removal of rock within six feet of the unexploded charge.

PART V.

SAFETY OF PERSONS EMPLOYED

Roofs and sides of travelling roads and working places.

17. The roofs and sides of all travelling roads and working places shall be made and kept secure

Overburden, loose ground and material

18. In open workings the overburden and all loose ground and material shall be removed sufficiently far from the edge, or otherwise made secure, in order to prevent danger to persons employed in the mine.

Sides of open workings

19. The sides of open workings shall be sloped, stepped or secured, in such a manner as to prevent danger from falls of material.

Steps in open workings.

20. When an open working is worked in steps, the steps shall be of sufficient breadth in comparison with their height to secure safety

Fencing of exposed and dangerous parts of machinery.

21. Every flywheel and all exposed and dangerous parts of the machinery used in or about a mine shall be kept securely fenced.

Steam boilers

22. Where no enactment for the regulation and inspection of steam boilers and prime movers is for the time being in force, every steam boiler, whether separate or one of a range, shall have attached to it a proper safety valve, and also a proper steam gauge and water gauge, to show respectively the pressure of steam and the height of water in such boiler

PART IV.

MISCELLANEOUS.

Fencing of dangerous place in an excavation.

23. Any place in or about an excavation which is dangerous shall be, and shall be kept, securely fenced. Should any doubt arise as to whether a place is dangerous or not, the opinion of an Inspector of Mines, or of the District Magistrate within whose jurisdiction the excavation is situated, shall be conclusive on the point.

Fencing of excavation near public road or dwelling house

24. Where an excavation extends within fifty feet of a public road or dwelling house, substantial fencing shall be erected and maintained around the excavation adjacent to the road or dwelling.

Accumulation of water

25. Where a place is likely to contain a dangerous accumulation of water, the working approaching that place shall not, at any point within thirty feet thereof, exceed six feet in width or height, and there shall be constantly kept at a sufficient distance, not being less than five feet in advance, at least one borehole near the centre of the working, and sufficient boreholes on each side, and, where necessary, above or below.

Drinking water.

26. A sufficient supply of good drinking water shall be provided or kept in or near the mine, so as to be easily accessible to all persons employed in or about the mine, and care shall be taken to secure that the supply remains free from contamination.

EXAMINATION IN SCHOOL MANAGEMENT AND IN THE ART OF TEACHING FOR TEACHERS IN EUROPEAN SCHOOLS IN THE MADRAS PRESIDENCY AND IN THE CIVIL AND MILITARY STATION, BANGALORE, UNDER ARTICLE 65 OF THE CODE OF REGULATIONS FOR EUROPEAN SCHOOLS.

An examination in School Management and the Art of Teaching under article 65 of the Code of Regulations for European Schools, Madras and Bangalore, will be held in December 1911. The date and centres of the examination will be notified later.

2. The examination is open to European teachers who have taught in recognised European Schools in the Presidency of Madras or the Civil and Military Station, Bangalore for not less than two years since December 31st, 1906, under the observation of the Inspector of European Schools or an Inspectress of Girls' Schools and who have satisfied the Inspector or Inspectress concerned as regards their methods and skill in teaching and in class management.

Applications should be made on printed forms which can be obtained from the Inspector of European Schools, Old College, Madras S.W., and should reach the Inspector not later than October 21st, 1911. They should be accompanied by a covering letter, in which should be quoted any remarks made by the Inspecting officer on table (*b*) of the annual inspection reports of the present and previous years relating to the status of the teacher and his or her eligibility to appear for the examination. It should also be mentioned whether the applicant appeared for the examination in 1910 or not.

Applications from teachers employed in schools under the inspection of an Inspectress of Girls' Schools should be submitted through the Inspectress concerned in order that the latter may have the opportunity of granting the certificate of eligibility appended to the printed form of application. No fee need be paid before the submission of this application, but such teachers as are found eligible after scrutiny of their applications will be required to pay the prescribed fee (rupees five) before admission to the examination.

3. Applications from teachers who seem to satisfy the conditions of admission on the date of receipt of this notification should be submitted as soon as possible, in order to facilitate verification in this office of the facts stated in the applications and to afford ample time for determination of their eligibility or the reverse. It should be noted that some teachers who are not eligible at the time of receipt of this notification may, under certain conditions, become eligible before the latest date fixed for application. Such teachers should be warned of the impending examination and should be requested to communicate their names to this office with particulars of service in order that preliminary verification may be begun. Formal applications from such teachers should be submitted as soon as they become eligible for the examination.

4. Candidates anxious to assure themselves that their applications have been received should enclose an addressed post card in their respective applications. The post card should bear the sender's address only and no other writing. Such post cards will be returned to them in due course with the Inspector's acknowledgment.

5. The following is the curriculum for the examination for the Middle and the Primary Teachers' certificates. The same papers may be set for both grades, but may contain a certain number of alternative questions of a simpler nature for candidates of the Primary grade.

SCHOOL MANAGEMENT.

(*a*) School buildings and equipment; the bearing of various types of school building on the work of the school; sanitary conditions and supervision.

(*b*) The curricula for different types of European schools; the framing of syllabuses in different subjects and of time-tables.

(*c*) School records including European school registers and returns.

(*d*) The moral aim of school work and its connection with the home. Formation of habits—mental and moral—such as order, thoroughness, consideration for others, loyalty to fellow pupils and the school, the intelligent use of leisure. Importance of studying the individual pupil. Personality of teacher. School drill, common breaches of order and decorum and how to deal with them. Breaches of the moral law and how to deal with them. Relations between teacher and pupil and teacher and parent; progress and conduct reports.

ART OF TEACHING.

General principles of method.—(1) The division of a subject into sections suitable (*a*) for each school year or term, (*b*) for each lesson. Differences which may be noticed between the sequence of ideas or arrangement of the subject matter, which may be demanded (i) by the nature of the child's mind and (ii) by the systematic treatment of text-books. The use of inductive rather than deductive methods.

(2) Perception and apperception.

(3) The typical lesson form; the four steps—

(i) Preparation (particularly as concerned with bringing into the pupils' minds those thoughts and feelings which will help in the acquisition of the new knowledge, whether they are the result of previous lessons or of his out-of-school experiences, and as including an intimation of the aim of the lesson).

(ii) Presentation, the modes of presentation, *e.g.*, experiment, narration, developing questioning.

(iii) Abstraction, especially limitations to its use.

(iv) Application.

The teaching of the subjects of the curriculum.—Structure and use of the vocal organs; means of securing distinct articulation; use of stories, continuous speech; reading the alphabet, look and-say and phonic methods, silent reading; recitation, its aim, the selection of pieces; writing, methods of holding pencil or pen, hygienic posture in writing; dictation and transcription as means not ends; Grammar, the aim in teaching it, its correlation with reading and composition, oral and written; the use of pictures, objects, stories, previous lessons, word and sentence building and paraphrase in teaching it; the ordinary rules of punctuation; the teaching of sentence and paragraph structure; the value of outside reading; choice of subjects in relation to the attainments of the class.

Hand and eye training. Drawing, the various media suitable for school work and the utility in practice of each; best methods of handling media and postures at work; the use of flat copies and objects; memory drawing; drawing as a training in observation and accuracy as a means of expressing facts and ideas. Correlation of drawing with the other subjects of the school course, *e.g.*, map and plan drawing in connection with history and geography and arithmetic; drawing in connection with object lessons and nature study; drawing in connection with writing; kindergarten occupations and their correlation with the other subjects of the child's education.

Nature study or Elementary Science.—Its aims and methods; the framing of suitable courses of lessons about natural phenomena, including animal and plant life and elementary physical geography with reference to local circumstances.

Number work and Elementary Mathematics.—Suitable methods and apparatus, especially practical methods in arithmetic and geometry, and oral methods in arithmetic.

Geography.—Its relation with nature study on the one hand and history on the other—importance of abstraction or generalization in geography teaching—the real meaning and use of maps—map-drawing *not* map-copying—other useful apparatus.

History.—Prevalent errors in teaching it, too much detail, want of perspective, carelessness as to pupils' real understanding of its subject matter, failure to bring into any relation with their first hand knowledge of things, exclusive reliance on dull epitomes, failure to correlate with geography and language work. Importance of biographies, how to select and teach biographies. Necessity of a knowledge of human nature and of realistic treatment. Influence of the study of history on character. How to draw up a good syllabus. Ways of dealing with the class text-book. Selection of appropriate poetry, songs and novels in connection with the period studied.

Domestic Economy for women (candidates).—Methods appropriate for the teaching of the courses for Middle and Primary Schools published by the department.

General.—Notes and note-taking, their use in school work; home work and exercises, its nature and amount for different classes and in the different subjects, reasons for limiting amount of home exercises as much as possible in lower classes; the correction of home exercises and notes.

The preparation of lessons by the teacher, notes of lessons.

Library and museum.—Their value, methods of encouraging their use by pupils.

For the High school Teachers' certificates, the above curriculum will be followed except that "Hand and Eye Training" under "The Art of Teaching" may be replaced by any two of the following subjects :—

1. Special methods of teaching Latin.
2. " Do. " French.
3. " Do. " Physics (or Domestic Economy in the case of women candidates.
4. " Do. " Mathematics.
5. " Do. " History and Geography.

6. European teachers in European schools who have not undergone a course of training, or who, though trained, have not passed the written test at the end of the course of training are expected to appear for the examination provided that they have satisfactorily completed the two years period of probation; but teachers who have been declared eligible for exemption under article 61 (*a*) and (*b*) of the Code of Regulations for European schools, Madras and Bangalore, need not appear.

7. The scheme of the examination will be notified later.

(3) Calicut.	(7) Negapatam.	(11) Vellore
(4) Cocanada.	(8) Nellore.	(12) Waltair.

2. Candidates must send in their applications made out in English on printed forms, so as to reach *the Office of the Board of Examiners* on or before the 31st October 1911; after which date no applications will be received on any account. Candidates' names in full should be legibly written and the circle to which they are attached should be stated.

3. All candidates should obtain the required application forms from the offices of the Assistant Commissioners.

4. The prescribed fee of Rs. 5-8-0 for each test or branch of a test, except Tests D-IV and E, must be paid into a Government Treasury or if at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras attached to the application. On no account will the fees be received in the Office of the Board of Examiners.

5. Each application should be sent direct to the undersigned, post paid, superscribed and addressed as follows, all the necessary enclosures being securely fastened to it :—

[Application for admission to the Special Test Examination for Officers of the Salt, Abkári and Customs Department, January 1912.]

To the Secretary, Board of Examiners, Chepauk, Madras.

N B.—Candidates anxious to assure themselves that their applications have been received should enclose an addressed post-card in their applications. Each candidate should send in a separate card for acknowledgment. Such post-cards will be returned to them in due course with an acknowledgment. No notice will be taken of any letter from any candidate enquiring whether his application has been received. Insufficiently-stamped covers will be rejected.

6. Candidates for Test E should state whether the vernaculars in which they desire to be examined are (1) their mother tongue or (2) their optional language in their University Examinations or (3) a second language. The information required in the application form and *the details of the branches of the Tests E, D and G in which a candidate wishes to be examined should be clearly shown.* Applications defective in any particular will be returned, and if they are not resubmitted with the omissions supplied, so as to reach this office within a week from the date of the objection memorandum, they will not be accepted.

7. In paying fees into the Treasury, candidates should specify the particular test or tests for which the fees are paid.

8. No notice will be taken of the application of any candidate who selects a centre which is not included in the list of centres given in paragraph 1 *supra*.

9. The fee paid by candidates who may be found to be ineligible to appear for the above examinations, will, on no account, be refunded to them.

10. Subject to any changes that may be rendered necessary, the examinations will be conducted in the order of time and subjects shown in the subjoined table :—

(4) Candidates for the Provincial Civil Service
(5) Private candidates, Bank and Railway officers.
(6) High Proficiency and Honours

V. Law, Revenue and Office Procedure and Accounts for Forest officers.

3 Applications from private candidates and from candidates for the Provincial Civil Service should be addressed to the undersigned and should furnish the following particulars :—

Name and address; designation, if any; language and test in which to be examined; appointment for which applicant desires to qualify.

4. All applications for examination for rewards should be submitted through the head of the department concerned, three months before the date fixed for the examination, and the applications should give the information asked for in the form prescribed for the purpose

All other applications should reach the undersigned by 31st October 1912.

5. A fee of Rs 15 for each examination in the vernaculars of candidates not in the Government service should be paid into the nearest treasury or if at Madras into the Bank of Madras. The receipts should be forwarded to the undersigned with the application for examination, direct, but in the case of Bank and Railway officers, through the heads of their departments. The fees paid for admission to any of the above examinations will not be refunded or held over to the next examination.

6. Officers in the service of Government should send in their applications through the heads of their departments.

7 As very great inconvenience has been caused by applications for examination being sent in after the prescribed date, the Board desires it to be distinctly understood that the dates given above will be strictly adhered to

MEDICAL DEPARTMENT.

GOVERNMENT MATERNITY HOSPITAL.

TENDERS FOR SUPPLY OF ARTICLES OF DIET AND HOSPITAL SUPPLIES.

NOTICE is hereby given that sealed tenders *in duplicate* will be received up to 8 A.M. on Saturday the 23rd September 1911 by the Superintendent, Government Maternity Hospital, Madras, at his office, Pantheon Road, Egmore, for the supply of the following articles :—

Non-perishable articles.—Diet, Country Medicines and Hospital Necessaries—consist of articles which must be supplied in bulk within seven days after acceptance of tender. Payment will be made on bills as soon after receipt as possible.

2. The articles required are detailed in the classified schedule annexed, and information as to samples, etc., may be had on personal application at the hospital. The supplies should be strictly in accordance with such samples.

3. Tenders will be opened by the Superintendent, at his office, at the prescribed time, in the presence of those who may choose to attend.

4. Tenders to be superscribed "Tender for articles of diet, etc., for the Government Maternity Hospital, Madras." Each tender must contain not only the rates but also the total value of each item of supply entered in a separate column, the items in which must be totalled up showing the aggregate total of the entire tender. The tender for each article will be treated as a separate and distinct tender.

5. Each tender must be accompanied by a deposit as earnest-money in Bank receipts equal to 5 per cent on the total value of his tender and, in default of such deposit, the tender will be rejected, nor will any tender be received after the time fixed for the opening of tenders. No cash will be received. The deposit money of successful tenderers will be returned as soon as they have made their supplies and to the unsuccessful tenderers on application at the hospital.

6. No tenderer shall be allowed to withdraw his tender, and he should attach a certificate to his tender to the following effect —

"I, the tenderer, agree to have the earnest-money confiscated to Government in case of my failure to supply the article tendered."

7. No advance of cash will be made to the tenderers.

8. The Superintendent reserves to himself the right to decline or accept the tender for any one or more of the articles tendered for by the successful tenderer without assigning any reason for so doing.

9. The Superintendent also reserves to himself the right of rejecting tenders without assigning any reason for so doing.

10. Every correction in the tender must invariably be initialled by the tenderer, failing which the tender will be rejected.

TENDERS FOR THE PURCHASE OF FIREWOOD

TENDERS are invited for the purchase of above 900 tons monthly of jungle wood fuel, which will be transported to Madras by the Forest Department from Nellore and Cuddapah districts, as per-description in the annexed schedule, for the period commencing from the date of agreement and ending 31st March 1912

2 Tenders will be received, up to 12 noon on Monday the 25th September 1911, by the District Forest Officer, Chingleput, at *Saidapet* and each tender should be accompanied by a treasury receipt for a deposit of Rs. 100 as earnest money, which will be forfeited if the successful tenderer fails to execute agreement on a duly stamped paper at his own cost within one week of receipt of information of the acceptance of his tender

3. Tenderers must state clearly the rate per ton offered for each kind of fuel to be weighed and delivered at the Salt Cotaurs Railway yard and must execute an agreement in the form which can be seen at the Range office at Madras Trevelyan's Basin Depot or at the District Forest office, Saidapet

4 The right to reject any tender without assigning any reason for doing so, is reserved, and the confirmation is subject to the approval of the Conservator of Forests, Central Circle, Madras

5. The earnest deposit of unsuccessful tenderers will be returned and that of the successful tenderer will be taken as part payment of the amount due by him for the first delivery of fuel.

6 The successful tenderer will be required to remit into the Madras Bank the value of the three-fourths of the invoiced quantity of fuel on intimation of each consignment and remit the balance after weighment and before delivery of fuel.

7. The successful tenderer will be further required to invest in the Government promissory note within three days from the date of receipt of the order accepting his tender in the name of the District Forest Officer a sum of Rs. 1,000 each for the fuel to be delivered at the Travelyan's Basin and Salt Cotaurs Depots, respectively.

8. In case the successful tenderer fails to act up to any of the above terms, the deposit referred to in paragraph 7 *supra* will be forfeited to Government and the right to the supply of fuel will be resold at his risk.
